

You're invited to join Just Harvest's Action Against Hunger Council

Thursday, May 26 | 6:30pm - 8:00pm

Just Harvest: 16 Terminal Way, South Side 15219

Hunger and poverty are caused by political choices – choices to support bad policies that make life harder for struggling people and to not provide enough funding for programs that would help them.

Ending hunger means changing those politics. In our monthly meetings we talk about what it would take to have healthy communities and economic justice. Together we plan how to hold all levels of government accountable to the people of this region. It is our opportunity – and our right – to come together, speak our minds, and achieve change. **Join us.**

Snacks and free on-site daycare provided.

For more info and to RSVP, contact Just Harvest's grassroots organizer Helen Gerhardt: (412) 431-8960 x105 or heleng@justharvest.org
